2.1 When using our website for information only, i.e. if you do not register or otherwise provide us with information, we only collect data that your browser transmits to our server (so-called "server log files"). When you visit our website, we collect the following data that is technically necessary for us to display the website to you:

- Our visited website
- Date and time at the moment of access

Data processing is carried out in accordance with Art. 6 (1) point f GDPR on the basis of our legitimate interest in improving the stability and functionality of our website. The data will not be passed on or used in any other way. However, we reserve the right to check the server log files subsequently, if there are any concrete indications of illegal use.

2.2 This website uses SSL or TLS encryption for security reasons and to protect the transmission of personal data and other confidential content (e.g. orders or inquiries to the controller). You can recognize an encrypted connection by the character string <https://> and the lock symbol in your browser line.

3) Hosting & Content Delivery Network

For the hosting of our website and the presentation of the page content, we use a provider that provides its services itself or through selected subcontractors exclusively on servers within the European Union.

All data collected on our website is processed on these servers.

We have concluded an order processing contract with the provider, which ensures the protection of the data of our website visitors and prohibits unauthorised disclosure to third parties.

4) Cookies

In order to make your visit to our website more attractive and to enable the use of certain functions, we use cookies, i.e. small text files that are stored on your end device. In some cases, these cookies are automatically deleted again after the browser is closed (so-called "session cookies"), in other cases, these cookies remain on your end device for longer and allow page settings to be saved (so-called "persistent cookies"). In the latter case, you can find the duration of the storage in the overview of the cookie settings of your web browser.

If personal data is also processed by individual cookies set by us, the processing is carried out either in accordance with Art. 6 (1) point b GDPR for the performance of the contract, in accordance with Art. 6 (1) point a GDPR in the case of consent given or in accordance with Art. 6 (1) point f GDPR to safeguard our legitimate interests in the best possible functionality of the website as well as a customer-friendly and effective design of the page visit.

You can set your browser in such a way that you are informed about the setting of cookies and you can decide individually about their acceptance or exclude the acceptance of cookies for certain cases or in general.

Please note that the functionality of our website may be limited if cookies are not accepted.

5) Contacting Us

When you contact us (e.g. via contact form or e-mail), personal data is collected. Which data is collected in the case of a contact form can be seen from the respective contact form. This data is stored and used exclusively for the purpose of responding to your request or for establishing contact and for the associated technical administration.

The legal basis for processing data is our legitimate interest in responding to your request in accordance with Art. 6 (1) point f GDPR. If your contact is aimed at concluding a contract, the additional legal basis for the processing is Art. 6 (1) point b GDPR. Your data will be deleted after final processing of your enquiry; this is the case if it can be inferred from the circumstances that the facts in question have been finally clarified, provided there are no legal storage obligations to the contrary.

6) Data Processing When Opening a Customer Account and for Contract Processing

Pursuant to Art. 6 (1) point b GDPR, personal data will continue to be collected and

processed to the extent required in each case if you provide us with this data when opening a customer account. The data required for opening an account can be found in the input mask of the corresponding form on our website. Deletion of your customer account is possible at any time and can be done by sending a message to the above address of the person responsible. After deletion of your customer account, your data will be deleted, provided that all contracts concluded via it have been fully processed, no legal retention periods are opposed and no legitimate interest on our part in the continued storage exists.

7) Use of Client Data for Direct Advertising

7.1 Subscribe to our e-mail newsletter

If you register for our e-mail newsletter, we will regularly send you information about our offers. The only mandatory data for sending the newsletter is your e-mail address. The provision of further data is voluntary and will be used to address you personally. We use the so-called double opt-in procedure for sending the newsletter. This means that we will only send you an e-mail newsletter once you have expressly confirmed that you consent to receiving newsletters. We will then send you a confirmation e-mail asking you to confirm that you wish to receive the newsletter in future by clicking on an appropriate link.

By activating the confirmation link, you give us your consent for the use of your personal data pursuant to Art. 6 (1) point a GDPR. When you register for the newsletter, we store your IP address entered by your Internet service provider (ISP) as well as the date and time of registration for the purpose of tracing any possible misuse of your e-mail address at a later date. The data collected by us when you register for the newsletter is used exclusively for the promotional purposes by way of the newsletter. You can unsubscribe from the newsletter at any time via the link provided for this purpose in the newsletter or by sending a corresponding message to the responsible person named at the beginning. After unsubscribing, your e-mail address will be deleted from our newsletter distribution list immediately, unless you have expressly consented to further use of your data, or we reserve the right to a more extensive use your data which is permitted by law and about which we inform you in this declaration.

7.2 SuperMailer

Our e-mail newsletters are sent via this provider: Mirko Böer, Malachitstraße 16, 04319 Leipzig

On the basis of our legitimate interest in effective and user-friendly newsletter marketing, we pass on the data you provided when registering for the newsletter to this provider in accordance with Art. 6 (1) point f GDPR so that they can send the newsletter on our behalf.

Subject to your express consent pursuant to Art. 6 (1) point a GDPR, the provider also

carries out a statistical analysis of the success of newsletter campaigns by means of web beacons or tracking pixels in the emails sent, which can measure opening rates and specific interactions with the newsletter content. In the process, end device information (e.g. time of page view, IP address, browser type and operating system) is also collected and analysed, but not combined with other data records.

You can revoke your consent to newsletter tracking at any time with effect for the future.

We have concluded an order processing agreement with the provider, which safeguards the data of our website visitors and prohibits a transfer to third parties.

8) Processing of Data for the Purpose of Order Handling

8.1 Insofar as necessary for the processing of the contract for delivery and payment purposes, the personal data collected by us will be passed on to the commissioned transport company and the commissioned credit institution in accordance with Art. 6 Para. 1 lit. b GDPR.

If we owe you updates for goods with digital elements or for digital products on the basis of a corresponding contract, we will process the contact data (name, address, e-mail address) provided by you when placing the order in order to inform you personally by suitable means of communication (e.g. by post or e-mail) about upcoming updates within the legally stipulated period of time within the framework of our statutory duty to inform pursuant to Art. 6 Para. 1 lit. c GDPR. Your contact details will be used strictly for the purpose of informing you about updates owed by us and will only be processed by us for this purpose to the extent that this is necessary for the respective information.

In order to process your order, we also work together with the following service provider(s), who support us in whole or in part in the execution of concluded contracts. Certain personal data is transferred to these service providers in accordance with the following information.

8.2 Use of Payment Service Providers

- Paypal

Online payment methods from the following provider are available on this website: PayPal (Europe) S.a.r.l. et Cie, S.C.A., 22-24 Boulevard Royal, L-2449 Luxembourg

If you select a payment method of the provider for which you make an advance payment, your payment data provided during the ordering process (including name, address, bank and payment card information, currency and transaction number) as well as information about the content of your order will be passed on to the provider in accordance with Art. 6 (1) point b GDPR. In this case, your data will only be passed on for the purpose of processing payment with the provider and only to the extent necessary for this purpose.

When selecting a payment method of the provider with which the provider makes

advance payments, you will also be asked to provide certain personal data (first name and surname, street, house number, postcode, city, date of birth, e-mail address, telephone number, if applicable data on alternative means of payment) during the ordering process.

In order to safeguard our legitimate interest in determining the solvency of our customers, this data is passed on to the provider by us for the purpose of a credit check in accordance with Art. 6 (1) point f GDPR. On the basis of the personal data provided by you as well as further data (such as shopping cart, invoice total, order history, payment history), the provider checks whether the payment option selected by you can be granted with regard to payment and/or bad debt risks.

The credit report may contain probability values (so-called score values). Insofar as score values are included in the result of the credit report, they have their basis in a scientifically recognised mathematical-statistical procedure. The calculation of the score values includes, but is not limited to, address data.

You can object to this processing of your data at any time by sending a message to us or to the provider. However, the provider may still be entitled to process your personal data if this is necessary for the contractual processing of payments.

8.3 Electronic Withdrawal Function for Distance Contracts

Consumers who conclude contracts on this website for which a statutory right of withdrawal exists have the option to declare their withdrawal via an electronic withdrawal function, in accordance with the applicable withdrawal provisions.

When using the withdrawal function, in addition to details identifying the specific contract being withdrawn from, other personal information—such as the consumer's first name, last name, and email address—must be provided or confirmed.

The collection of this information and its transmission to us is carried out in accordance with Art. 6 (1) point b of the GDPR, and only to the extent necessary for the proper processing of the withdrawal request. Furthermore, and also based on Art. 6 (1) point b of the GDPR, the provided personal data is used to confirm receipt of the withdrawal declaration via email. An additional legal basis for this processing is Art. 6 (1) point c of the GDPR. We are legally obligated to provide an electronic cancellation function for remunerated distance contracts concluded with consumers.

9) Tools and Miscellaneous

This website uses a so-called "cookie consent tool" to obtain effective user consent for cookies and cookie-based applications that require consent. The "cookie consent tool" is displayed to users in the form of an interactive user interface when they access the page, on which consent for certain cookies and/or cookie-based applications can be given by ticking the appropriate box.

Using the tool, all cookies/services requiring consent are only loaded if the respective user provides the corresponding consent by ticking the corresponding box. This ensures

that such cookies are only set on the respective end device of the user if consent has been granted.

The tool sets technically necessary cookies to save your cookie preferences. Personal user data is generally not processed.

If, in individual cases, personal data (such as the IP address) is processed for the purpose of storing, assigning or logging cookie settings, this is done in accordance with Art. 6 (1) point f GDPR based on our legitimate interest in legally compliant, user-specific and user-friendly consent management for cookies and thus in a legally compliant design of our website.

Further legal basis for the processing is Art. 6 (1) point c GDPR. As the responsible party, we are subject to the legal obligation to make the use of technically unnecessary cookies dependent on the respective user consent.

Further information on the operator and the setting options of the cookie consent tool can be found directly in the corresponding user interface on our website.

10) Rights of the Data Subject

10.1 The applicable data protection law grants you the following comprehensive rights of data subjects (rights of information and intervention) vis-à-vis the data controller with regard to the processing of your personal data:

- Right of access by the data subject pursuant to Art. 15 GDPR;

IF YOU EXERCISE YOUR RIGHT TO OBJECT, WE WILL STOP PROCESSING THE DATA CONCERNED. HOWEVER, WE RESERVE THE RIGHT TO FURTHER PROCESSING IF WE CAN PROVE COMPELLING REASONS WORTHY OF PROTECTION FOR PROCESSING WHICH OUTWEIGH YOUR INTERESTS, FUNDAMENTAL RIGHTS AND FREEDOMS, OR IF THE PROCESSING SERVES TO ASSERT, EXERCISE OR DEFEND LEGAL CLAIMS.

IF WE PROCESS YOUR PERSONAL DATA FOR DIRECT MARKETING PURPOSES, YOU HAVE THE RIGHT TO OBJECT AT ANY TIME TO THE PROCESSING OF YOUR PERSONAL DATA WHICH ARE USED FOR DIRECT MARKETING PURPOSES. YOU MAY EXERCISE THE

OBJECTION AS DESCRIBED ABOVE.

IF YOU EXERCISE YOUR RIGHT TO OBJECT, WE WILL STOP PROCESSING THE DATA CONCERNED FOR DIRECT ADVERTISING PURPOSES.

11) Duration of Storage of Personal Data

The duration of the storage of personal data is based on the respective legal basis, the purpose of processing and - if relevant – on the respective legal retention period (e.g. commercial and tax retention periods).

If personal data is processed on the basis of express consent pursuant to Art. 6 (1) point a GDPR, this data is stored until the data subject revokes his consent.

If there are legal storage periods for data that is processed within the framework of legal or similar obligations on the basis of Art. 6 (1) point b GDPR, this data will be routinely deleted after expiry of the storage periods if it is no longer necessary for the fulfillment of the contract or the initiation of the contract and/or if we no longer have a justified interest in further storage.

When processing personal data on the basis of Art. 6 (1) point f GDPR, this data is stored until the data subject exercises his right of objection in accordance with Art. 21 (1) GDPR, unless we can provide compelling grounds for processing worthy of protection which outweigh the interests, rights and freedoms of the data subject, or the processing serves to assert, exercise or defend legal claims.

If personal data is processed for the purpose of direct marketing based on Art. 6 (1) point f GDPR, this data is stored until the data subject exercises his right of objection pursuant to Art. 21 (2) GDPR.

Unless otherwise stated in the information contained in this declaration on specific processing situations, stored personal data will be deleted if it is no longer necessary for the purposes for which it was collected or otherwise processed.
